

### **A warm welcome to Daly's Wine Bar**

Wine should make you smile. This is our passion and our reason to be. Whether your taste is for the traditional or you feel inspired to experiment, we are confident you will discover some tempting gems within.

Our philosophy for sourcing our worldwide selection is simple; we favour family-owned and operated estates, wines must over deliver on quality whatever the cost, brim with provenance and character, and be crafted by individuals dedicated to creating great-tasting wine for those of us who love to drink it.

### **We favour producers committed to sustainable practices**

This covers every aspect of production; not just what happens in the vineyard and the wine-making, but eco-decisions on carbon emissions, waste and much more. Although some of our wines are certified as Organic, many more growers now nurture their vines 'sustainably' following organic principles, primarily to make the best wine they can, but also to protect the environment.

### **Vegan friendly – no compromise**

Prior to bottling most wines are clarified to ensure they are crystal clear, sometimes these may be animal derived (egg white for example). We can assure you that zero clarification agent remains in the wine after filtration, but we understand you may have concerns regarding this practice. If this is important to you, please ask your server for our Vegan wine menu. By default, Vegan wines are also suitable if you are Vegetarian.

### **Treat yourself!**

A changing selection of truly fine wine is also offered by the glass, dispensed from our Coravin and Enomatic. These state of the art preservation systems efficiently maintains an opened bottle without spoilage for several weeks, and provides us all with an opportunity for an affordable taste of luxury.

### **Wine+**

Our bar also offers a cracking selection of premium spirits and both traditional and artisan beers, including exemplary craft beers from our neighbours at the Temple Brew House.

**Cheers!**

## I SAUVIGNON & SEMILLON I

For those of us who like a wine with a distinctive personality, Sauvignon still leads the pack. Semillon in the blend brings an added dimension, more weight and texture. We urge you to try the cellar aged Elizabeth Semillon, a bargain for such a mature rarity.

	750ml
<b>Vinamar Reserva Sauvignon Blanc</b> 2018 Casablanca Valley 12.5% <i>Cool Casablanca is the go to for elegant SB in Chile. Wake up your taste buds with zesty grapefruit and classic herbal undertones. Great energy!</i>	<b>27.50</b>

<b>Hunter's 'Kaho Roa' Sauvignon Blanc</b> 2017/18 Marlborough 12.5% <i>Something special from Jane Hunter's sustainable vineyards just across the road from the Cloudy Bay estate. <b>Mount Pleasant 'Elizabeth' Cellar Aged Semillon</b> 2009 Hunter Valley 10.5% <i>Like it's sibling 'Philip' Shiraz, inspired by our monarch's 1954 visit to Oz. Unoaked, mature Semillon is a Hunter speciality; appetite-arousing zesty lime reinforced with tense minerality and hints of honey. A Grand Cru Chablis-esque bargain.</i>	<b>43.50</b>
<b>Cloudy Bay Sauvignon Blanc</b> 2018 Marlborough 13% <i>The fresh-mown grass and super-concentrated gooseberry fruit are a given from this iconic estate.</i>	<b>54.00</b>

<p><b>Mount Pleasant 'Elizabeth' Cellar Aged Semillon</b> 2009 Hunter Valley 10.5%  <i>Like it's sibling 'Philip' Shiraz, inspired by our monarch's 1954 visit to Oz. <p><b>Meursault, Domaine Jean-Michel Gaunoux</b> 2016 Burgundy 13%  <i>Classy, opulent and powerful, yet not at all OTT.
